2026 Budget / Dues Information**

11/21/25

Hello Owners,

The Board finalized the 2026 budget and there will be an increase in the monthly dues to \$451.00 beginning January 1, 2026. This is an 8.94 % increase (\$37.00).

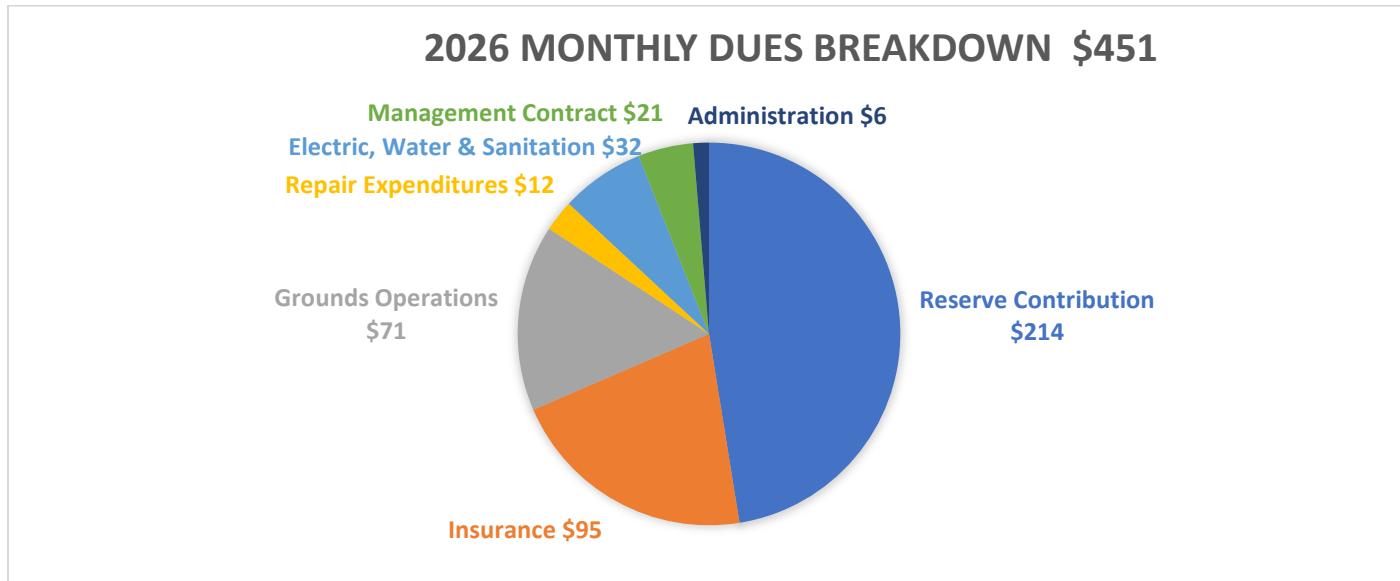

The significant changes for 2026 are:

- ✓ Insurance: There was a 16% increase - \$13.45 increase to dues.
- ✓ Replacement Reserves:
  - Major Tree and Landscape has been shifted to Replacement Reserves. Dues allocations were adjusted accordingly.
  - We continue to address the shortfall in funding reserves.
- ✓ Curbside Service for Sanitation has gone back to a year-round service. This results in a 22% increase - \$5.18 increase to dues.

Reminders:

- ✓ No pest control outside of the home. Residents will be personally responsible for all pest control.
- ✓ Ice Dam mitigation will be the owners' responsibility to correct. We have included an education packet about ice dams, and it should be reviewed in its entirety, and a review of your personal attic situation addressed as needed.
- ✓ Homeowners may plant BOD approved trees and shrubs/plants at the owners' expense.
